GRENACHE ROSÉ
SOUTH AUSTRALIA
2023

COLOUR

Pale Pink

NOSE

The nose has aromas of summer stone fruit dusted with a hint of cinnamon.

PALATE

Subtle spice on the palate with a crisp, dry finish. Nice and bright up front with a well-balanced finish.

FOOD PAIRING

Best enjoyed chilled and paired with light salads, light pasta and rice dishes, raw or lightly cooked shellfish like oysters, grilled fish and goats' cheeses. Complements spicy dishes with its refreshing, crisp palate.

VINTAGE NOTES

The Riverland recorded its biggest floods in over 60 years, which delayed vintage by 3 to 4 weeks. Whilst it was the smallest vintage in some time, the extended ripening period provided the grapes with extra acidity and vibrant flavours.
